

Saturday Chinese Montessori Program

Who we are

Eyas Saturday Chinese House is located at the Eyas Global Montessori School campus. Eyas Global Montessori School was founded by Yinying Educational Institution in China, who has more than 25 years' experience in early childhood education. Eyas is managed by the Cougar Mountain Montessori team with 35 years of Montessori education experience in Bellevue (Seattle area). Eyas is an international bilingual Montessori preschool with a rich cultural background and years of experience in Montessori education.

Philosophy

Based on the study of the physical and mental development of young children, Dr. Maria Montessori stressed the importance of an immersive language learning environment. We have created a natural learning environment where children are able to listen, be fully immersed, and are encouraged to learn Chinese, in addition to their mother tongue. The classroom is inclusive of Chinese culture, rich content, and independent learning.

Our classes

- 1, Children are immersed in an environment where they can learn Chinese as part of their daily lives;
- 2, Chinese is spoken to guide children through different areas in the Montessori classroom to build confidence and understanding;
- 3, Music, art, drama, reading, story sharing, writing, and independent discovery help children understand and speak Chinese.

Children's Age

We accept children between ages 3 years - 8 years old. Eyas children have priority for admission.
